The diagram shows a large, irregularly shaped formwork panel. It has a top edge that is mostly straight but has a slight curve on the right side. The bottom edge is also mostly straight but has a slight curve on the left side. Two vertical dashed lines are drawn across the panel, indicating fold lines. A horizontal dashed line is drawn across the bottom edge, indicating a fold line. The panel is divided into three vertical sections by the dashed lines. The rightmost section is the largest and has a curved top edge. The middle section is the smallest and has a straight top edge. The leftmost section is the largest and has a curved top edge. The bottom edge of the panel is divided into three sections by the dashed lines. The rightmost section is the largest and has a straight bottom edge. The middle section is the smallest and has a straight bottom edge. The leftmost section is the largest and has a curved bottom edge. The panel is shown in a perspective view, with the top and bottom edges slightly curved. The drawing is a simple line drawing with no shading or color.
